## COMPANY HISTORY

The 51st Company has always been deployed in the first line during the major conflicts since its creation. The 3rd Regiment has the highest number of medals and awards among the whole Space Infantry Divisions: only the best soldiers can hope to join the men of the 51st.

## SPECIAL COMPANY RULES

**Talents:** at the beginning of a new Campaign, you can choose one of the following Talents (you can assign the Talent to any of your Units):

- Bull Strength:** one of your Units gains an additional Hit Point. Place 1 green HP counter on the Unit as a reminder.
- Eagle Eye:** one of your Units can always execute a Fire attack **before** the enemies.
- Deadly Strike:** the **Melee** attack of one of your Units causes 2 wounds instead of 1.
- Parry:** the Unit can cause a reroll of a successful enemy **Melee** attack. Draw a new RN and apply the new result to the attack.
