Special Damage: Bleed
 A Player Character wounded by a White Ape starts bleeding (place a marker near the PC as a reminder). At the beginning of each activation, a bleeding character lose one HP.

Enemy Group

Roll 1d6, adding a RL :

- (2-5) White Ape
- (6-7) White Ape (x2)
- (8-10) White Ape (x3)

[RL 1-4]

BEAST

Special Action: Stop Bleeding (bandaging)

A PC can use this Special Action to remove the bleeding marker from an adjacent PC (including itself). In addition, the target PC recovers one HP.

This Special Action can be executed only if both the acting PC and the bleeding PC are not Engaged.
